## 2011 CSA

### Farm Membership Program

Fresh Organic Produce at a  
Great Price ALL SEASON LONG!

A CSA (Community Supported Agriculture) program is a partnership between the farmers and the community. Members pay for a season's worth of vegetables, and every week they come to the farm to receive their share of the weekly harvest. CSA members get the farm going in the early spring and help keep our spirits up through the season. Please get in touch if you'd like more information!
